ORGANIZE

**9<sup>th</sup> INTERNATIONAL SYMPOSIUM GLAUCOMA CODES**

IN COLLABORATION WITH

EUROPEAN GLAUCOMA SOCIETY - EGS

March 16, 2024

Poštovane kolegice i kolege,

okupljajući brojne stručnjake iz područja glaukoma, Međunarodni simpozij **Glaucoma Codes** važan je izvor edukacije i povezivanja oftalmologa unutar Hrvatske i susjednih zemalja te je postao nezaobilazan događaj Svjetskog tjedna glaukoma.

Ovogodišnji **9. međunarodni simpozij o glaukomu Glaucoma Codes** organiziramo u suradnji s **Europskim glaukopskim društvom (EGS)**. Teme ovogodišnjeg simpozija bit će usmjerene na naše svakodnevne probleme i dileme u dijagnostici, praćenju i liječenju glaukoma. Praktična rješenja obradit ćemo na predavanjima, potom na panel-diskusiji i u kvizu. Aktivnim sudjelovanjem u kvizu sudionici će imati prilike osvojiti vrijedne nagrade.

Želimo Vam dobrodošlicu **16. ožujka 2024. godine, u hotelu Hilton Garden Inn Zagreb. Naše stručno društvo započet ćemo jutarnjom kavom uz razgovor s ekspertima.**

Dear colleagues,

Bringing together numerous experts in the field of glaucoma, the **Glaucoma Codes** International Symposium has become an important source of education and networking of ophthalmologists within Croatia and neighboring countries, which has grown into a traditional WGW event.

Following the guidelines and standards of the EGS, we are organizing **the 9<sup>th</sup> International Glaucoma Codes Symposium in cooperation with the European Glaucoma Society (EGS)**.

The topics of the symposium will be focused on our everyday problems and dilemmas in the diagnosis, monitoring and treatment of glaucoma. We will discuss practical solutions through lectures, panel discussions and Quiz.

Active participation in the Quiz will give you the opportunity to win valuable prizes.

**We welcome you to a morning coffee with experts on March 16, 2024 at the Hilton Garden Inn, Zagreb.**

U ime organizatora / On Behalf Organizers

Mia Zorić Geber
